A Word for the Private School-It Makes Use of Its Freedom of a Rigid Curriculum to Build Firmly on Individual Emotional Interests.

By HENRIETTA RODMAN.

CONFESS that I've had some con- opment is rapid and delightful. tempt for private schools. I knew that the public schools were all sorts of personal problems to their teachers, who are simply older and ools were silly. I believed that wiser friends, able to guide. he public schools distort the children's "The girl who loves gardening was to of the girls, to indolence as well.
